Litter Prevention Tips

1. Always set an example by not littering, no matter where you are.

2. When you put out the trash at home, make sure that garbage cans have lids.

3. Keep a litter bag in your family car.

4. Keep your yard clean and free of things that can blow into the street and become litter.

5. If your school playground does not have a litter basket ask the teacher to have one put out.

6. Make a bulletin board that has pictures of areas that are clean, and those that are spoiled by litter.

7. When you visit a park or beach, carry a trash bag and carry out what you bring.

8. Write a letter to a business asking them to keep the lids on garbage dumpsters closed.

9. **Make a list of things that could be done to stop litter.**

10. **Contact Keep Mississippi Beautiful /PAL at 800-545-3764 to arrange a presentation to your class.**
