APPLICATION FOR BOND RELEASE

This form is to be submitted upon completion of the operation covered by the surface mining permit or upon completion of backfilling, regrading and drainage control of the particular area of concern.

Operator: _____

Address: _____

_____ zip

Telephone number: _____

Name of mining operation _____ County _____

Location: Section _____ Township _____ Range _____

Permit number _____ Date of Issue _____ Expiration date _____

Amount of Bond Release applied for \$ _____
(90% is the maximum allowable for an initial bond release)

The operator must furnish the following information:

1. Describe the reclamation procedures used in the permit area (or particular area of concern) and the results achieved (i.e., backfilling, revegetation, regrading, topsoil, haul roads, water drainage and sediment control).

2. Describe the use planned for the land after reclamation.

3. If the requested bond release is a partial release of the total bond, describe the reclamation procedures planned until total bond release (i.e., maintaining vegetation, water drainage, and sediment control).

4. Discuss any difficulties encountered in following the reclamation plan or include any pertinent comments relevant to the execution of the reclamation plan.

5. List names and addresses of the owners of record of all surface areas in the permit area and within 500 feet thereof. NOTE: Application will not be processed unless furnished. Attach additional sheets if needed.
