EVIDENTIARY HEARING

Evidentiary Hearing Request Regarding Issuance of Water Pollution Control Permit to Discharge Wastewater in Accordance with the National Pollutant Discharge Elimination System Permit No. MS0061751 to Mississippi Power Company, Kemper IGCC Facility (Plant Ratcliffe), Located in Kemper County, MS

The matter before the Permit Board was an evidentiary hearing related to the issuance of the Water Pollution Control Permit to Discharge Wastewater in Accordance with the National Pollutant Discharge Elimination System Permit No. MS0061751 to Mississippi Power Company, Kemper IGCC Facility (Plant Ratcliffe), located in Kemper County, MS (MPC). The Permit Board issued the permit to MPC at its regular meeting on August 12, 2014. Mr. Austin (Dan) Check, Mr. Tommie E. Williams, and Mr. William Heidelberg (Petitioners), submitted written requests for a formal evidentiary hearing, objecting to the Permit Board's decision to issue the permit to MPC. Mr. Wally Hudnall also submitted a written request for a formal evidentiary hearing, but Mr. Hudnall passed away prior to the hearing.

The hearing officer in this matter was Leyser Hayes, Esq. General Counsel Roy Furrh and Senior Attorney Ted Lampton represented the Mississippi Department of Environmental Quality (MDEQ). Attorney Bradley A. Ennis represented MPC. Mr. Check and Mr. Heidelberg appeared pro-se. Mr. Williams was not present at the hearing.

MDEQ submitted prefiled direct and rebuttal testimony through the affidavits of Harry Wilson. MPC submitted prefiled direct and rebuttal testimony through the affidavits of Charles R. Berry. Petitioner Austin (Dan) Check submitted prefiled direct and rebuttal testimony through his written statements. Petitioners Tommie Williams and William Heidelberg did not submit prefiled testimony.

PRELIMINARY MATTERS

The Petitioners were not present at the beginning of the hearing. Mr. Ennis presented a Motion to Intervene on behalf of MPC. With no objection from MDEQ, Hearing Officer Hayes granted the Motion. Mr. Check and Mr. Heidelberg then arrived after the hearing began. Mr. Check identified himself and stood at the Petitioner's table, but Mr. Heidelberg sat in the audience and did not respond when the Hearing Officer asked if any other Petitioners were present.

Mr. Check requested that the Hearing Officer be removed from the case. Mr. Check argued that her previous employment by the Attorney General's Office created a conflict of interest because of her past experience(s) with the Attorney General's Office. Hearing Officer Hayes denied Petitioner Check's request, citing the holding in the *United Cement* case, which provided in part that there is no conflict or suggestion of unfairness when attorneys at the Attorney General's office serve as hearing officers for the Permit Board. Petitioner Check also requested that he be allowed to submit documentation into the record demonstrating that Hearing Officer Hayes had previously worked for the Attorney General's Office. Hearing Officer Hayes stated for the record that she was previously employed by the Attorney General's Office and was on contract with MDEQ to serve as a Hearing Officer, but denied Petitioner Check's request because the Permit Board's procedural rules require that Motions be pre-filed before the hearing. Petitioner Check declined to participate further in the hearing claiming he had only recently been informed that Ms. Hayes was serving as the hearing officer and departed from the hearing room.

OPENING STATEMENTS, TESTIMONY, AND CLOSING STATEMENTS

Mr. Lampton made an opening statement on behalf of MDEQ. Mr. Ennis made an opening statement on behalf of MPC.

Harry Wilson testified for MDEQ through his prefiled direct and rebuttal testimony. MDEQ tendered Mr. Wilson for cross-examination by MPC, and submitted Mr. Wilson for questioning by the Permit Board. Mr. Wilson was cross-examined by Mr. Ennis, and was questioned by Permit Board Member Riecke. Hearing Officer Hayes declared a brief recess during Mr. Riecke's questioning of Mr. Wilson. At that time, Mr. Heidelberg approached and announced his presence. Hearing Officer Hayes invited Petitioner Heidelberg to participate in the hearing, but Mr. Heidelberg stated that he needed to leave so that he did not miss his ride. Petitioner Heidelberg stated that he was not going to make any comments. Upon resumption of the hearing, Permit Board Member Riecke questioned Mr. Wilson further and Permit Board Member Moody also questioned Mr. Wilson.

Charles R. Berry testified for MPC through his prefiled direct and rebuttal testimony. MDEQ declined to cross-examine Mr. Berry. Mr. Berry was questioned by Permit Board Member Riecke.

Mr. Lampton and Mr. Ennis made closing statements. Mr. Ennis moved to strike Petitioner Check's prefiled direct and rebuttal testimony from the record on grounds that Mr. Check was not available for cross-examination by the parties. MDEQ supported this Motion, and Hearing Officer Hayes granted the Motion. The matter was then presented to the Permit Board for its decision.

DECISION OF THE PERMIT BOARD

Upon motion by Board Member Riecke and seconded by Board Member Hoffmann, the Permit Board unanimously voted to affirm its prior decision to issue Water Pollution Control Permit to Discharge Wastewater in Accordance with the National Pollutant Discharge Elimination System Permit No. MS0061751 to Mississippi Power Company, Kemper IGCC Facility (Plant Ratcliffe), located in Kemper County, MS, and to modify the permit to allow for ultraviolet treatment as the primary disinfection method, with chlorination remaining permitted as the back-up disinfection method.

OTHER BUSINESS

General Counsel Roy Furrh advised the Permit Board that an evidentiary hearing will be considered by the Board regarding the Renaissance at Colony Park, Phase III issuance of a Water Quality Certification and Storm Water Coverage at the next Permit Board meeting on November 8, 2016.

Mr. Furrh also advised the Board that the transfer and modification of the water quality certification and transfer of storm water coverage of Drying Facility Assets Holdings, Pearl River County, will be considered in an evidentiary hearing by the Permit Board at the December 13, 2016, Permit Board meeting.

CONFIRMATION OF THE NEXT REGULAR PERMIT BOARD MEETING

Michael Bograd confirmed that the next Regular Meeting will be held on November 8, 2016.
