

MDEQ JOB ANNOUNCEMENT

Position: Environmental Engineer-in-Training

PIN: 4041

Starting Salary: \$51,210.24

Location: Permitting, Certification, & Compliance Division

Minimum Qualifications:

A Bachelor's Degree in an engineering curriculum from a school or college approved by the Mississippi State Board of Registration for Professional Engineers and Land Surveyors as of satisfactory standing, preferably with courses in environmental engineering;

OR

A Master's Degree in an engineering curriculum from a school or college wherein that same engineering curriculum at the undergraduate level is approved by the Mississippi State Board of Registration for Professional Engineers and Land Surveyors as of satisfactory standing, preferably with courses in environmental engineering;

AND

A Bachelor's Degree in engineering, engineering technology, or related science curriculum of four (4) scholastic years from a school or college other than those approved by the Mississippi State Board of Registration for Professional Engineers and Land Surveyors, preferably with courses in environmental engineering.

Special Requirement:

Incumbent must possess a valid Driver's License from Mississippi or a contiguous state

Primary Functions:

- Perform compliance and enforcement actions statewide to determine if permit special terms and conditions are being met for industrial, agricultural, and public supply withdrawals of surface water and groundwater.
- Apply engineering principles and practices to ensure compliance with state laws and regulations so that the water resources of the State are properly managed and maintained.
- Assist with the licensing of water well drillers and compliance actions associated with the MS Water Well Drillers Licensing Program.
- Perform data entry, query, scanning, reporting, and presentations as required.
