

**MINUTES OF THE MISSISSIPPI ENVIRONMENTAL QUALITY PERMIT BOARD
HELD IN JACKSON, MISSISSIPPI, ON TUESDAY, JANUARY 14, 2025**

The Mississippi Environmental Quality Permit Board held a meeting in the Commission Hearing Room of the Department of Environmental Quality, located at 515 East Amite Street, in Jackson, Mississippi, on January 14, 2025. Doug Mann, Chair, called the meeting to order at 9:00 a.m. and announced a quorum with the following members and designated representatives present:

Doug Mann for Lynn Posey, Chair
Chris Hawkins for Kay Whittington, Vice Chair
Les Herrington
Chris McDonald for Andy Gipson
Jennifer Wittmann for Joe Spraggins
William Watkins for Jess New
David Dockery

Roy Furrh, General Counsel for MDEQ, was present as legal counsel. Chair Doug Mann called the meeting to order. On motion by Les Herrington and second by Chris McDonald, the Permit Board voted to adopt and approve the minutes for the regular Permit Board meeting held on December 10, 2024.

REPORT OF STAFF PERMIT ACTIONS/CERTIFICATIONS

Staff reported to the Permit Board that staff had acted on various permits since December 10, 2024, Permit Board Meeting pursuant to the regulations delegating this authority to the Executive Director of the Mississippi Department of Environmental Quality and the Executive Director's delegation of this authority to the staff in accordance with those regulations. The Permit Board voted to note and record in its minutes the reports of permit actions and certifications by staff since December 10, 2024, Permit Board Meeting. [David Dockery abstained from voting on all Office of Geology permitting matters and Chris Hawkins abstained from voting on all Office of Land and Water Resources permitting matters].

OFFICE OF GEOLOGY MATTERS:**

Mining and Reclamation Division

Surface Mining Permit Transfers

After presentation by Guillermo Gibson with the Mining and Reclamation Division, Office of Geology, MDEQ, and receiving no public comment from the audience, on motion by Les Herrington and second by Chris Hawkins, the Permit Board voted to approve the following surface mining permit transfers (David Dockery abstained):

Hammet Gravel Company, Inc., transfer to APAC – Mississippi, Inc., Holmes P18-018AA
New permit no. P18-018AAT

Hammet Gravel Company, Inc., transfer to APAC - Mississippi, Inc., Copiah P21-016
New permit no. P21-016T

MS H&L2, LLC transfer to AM First Life Insurance Company, Madison P21-008
New permit no. P21-008T

WS Red Hancock to James Douglas, DDD Construction and Sales, LLC, Yazoo P15-012
New permit no. P15-012T

Edwards Gravel Company, LLC (F. Steward Edwards Jr.) transfer to Edwards Gravel Company (Greg D. Williams) located in (Harrison County) P04-017AAA, P03-044, and P02-007
New permit nos. P04-017AAAT, P03-044T and P02-007T

Office of Pollution Control

Environmental Permits Division

401/Stormwater Branch

Gulf Coast Development & Design, LLC-Swan Landing Estates Subdivision-Harrison County-
Consideration of modification of Coverage under the Large Construction Stormwater General
Permit-Coverage No. MSR109175

Carrie Barefoot, Branch Manager of the 401 Water Quality Certification and Stormwater Branch, presented a modification request to an existing coverage under the Large Construction Stormwater General Permit by Gulf Coast Development & Design, LLC (Gulf Coast) for Swan Landing Estates, an 84-lot single-family residential subdivision. The project is situated on an 80-acre parcel on the south side of South Swan Road, immediately south of the intersection with Hatten Lane within the city of Gulfport in Harrison County.

On January 4, 2024, Gulf Coast submitted a Large Construction Notice of Intent and an associated Stormwater Pollution Prevention Plan. On May 14, 2024, the Mississippi Environmental Quality Permit Board voted to issue stormwater coverage for the project with a total ground disturbance to 39.97 acres of the 80-acre parcel. Subsequently, on June 11, 2024, the Permit Board received a request for an evidentiary hearing related to the issuance of the stormwater coverage. The evidentiary hearing was scheduled for the September 10, 2024, permit board meeting. However, on September 7, 2024, the request for evidentiary hearing was withdrawn. Subsequently, on October 10, 2024, MDEQ received a major modification request from Gulf Coast to add 4.58 acres of ground disturbance to the already permitted 39.97 acres, for a total of 44.55 acres of ground disturbance.

The types of structural stormwater best management practices to be used within this expanded acreage remain unchanged from the original permit request and include the use of five sediment basins equipped with skimmers, straw wattle check dams, inlet protection, construction exit, and silt fencing. Where feasible, the applicant has proposed 50-foot undisturbed natural buffers between areas of disturbance and wetlands. In areas where a 50-foot undisturbed natural buffer is not achievable, the applicant has supplemented the plan with additional erosion and sediment controls such as double-row, wire-backed, silt fencing. The modified Stormwater Pollution Prevention Plan has been reviewed and deemed complete and meets the minimum requirements in addressing stormwater discharges from the project site.

Prior to the authorized ground disturbance, the 80-acre parcel contained approximately 30 acres of low-quality pine-savannah wetlands. Project construction has resulted in permanent impact to 0.476 acres of wetlands for the construction of access roads and temporary impact to 0.116 acres of wetlands for the trenching of sewer and utility lines. Gulf Coast obtained authorization to impact these wetlands under the U.S. Army Corps of Engineers' Nationwide Permit 29 for Residential Subdivisions. To date, both the permanent and temporary impacts to wetlands have taken place per the requirements of the Nationwide Permit 29. Mitigation for these impacts has been accomplished through the purchase of 0.96 bottomland hardwood mitigation credits from Wetlands Solutions George County Mitigation Bank, and MDEQ has received a proof of purchase of credits by letter dated June 4, 2024, from Wetlands Solution Mitigation Bank. The remaining wetlands onsite are to be avoided.

In preparation for this meeting, Permit Board members received detailed information on this project. MDEQ staff provided copies of the Large Construction Major Modification Request, the Storm Water Pollution Prevention Plan with the erosion control drawings, and the Nationwide Permit 29 authorization from the U.S. Army Corps of Engineers. The information reflects the most recent versions of the applications and plans proposed by Gulf Coast for the construction of Swan Landing Estates subdivision.

MDEQ has reviewed the Large Construction Stormwater Major Modification Form and associated Stormwater Pollution Prevention Plan. Based on that review, MDEQ believes that the plan includes the necessary components required by the Large Construction Stormwater General Permit, state law, and federal regulations.

On behalf of Gulf Coast, Kenneth Jones spoke in favor of the modification and provided additional details related to the proposed modification mentioning the purchaser of the development, D.R. Horton, had requested the modification. Chair Doug Mann asked if there was any additional public comment, and the audience was silent and there was no response. When questioned by Mr. Mann, MDEQ

General Counsel Roy Furrh indicated that a neighbor-Ms. Linda Goforth-had requested the proposed modification be placed on the Permit Board agenda. Mr. Furrh indicated he had emailed Ms. Goforth and Ms. White (another neighbor) on January 2, 2025, to inform them that the proposed modification would be on the January 14 Permit Board agenda, and they were welcome to attend the meeting, but were not present. Thereafter, on motion by Les Herrington and second by Chris Hawkins, the Permit Board voted to issue the proposed modification of coverage no. MSR109175 under the Large Construction Stormwater General Permit to Gulf Coast Development & Design, LLC related to the Swan Landing Estates Subdivision in Gulfport, Harrison County.

OTHER BUSINESS

Roy Furrh indicated that with the new year there were two forms Permit Board members need to complete. The forms are: the EPA conflict form which the Permit Board members were instructed to review and sign before a provided notary after the meeting and the Statement of Economic Interest which is electronically submitted to the Ethics Commission for calendar year 2024. The Statement of Economic Interest is due on May 1st.

Permit Board member Jennifer Wittmann asked if the public hearing for the proposed JWC Environmental, LLC Waste Transfer Station had been scheduled. The proposed Transfer Station was on the Permit Board agenda for the meeting on December 10, 2024. Mike Freiman, Director of the Office of Pollution Control at MDEQ, indicated the public hearing was scheduled for February 20th. Roy Furrh added the public hearing was scheduled for 6 p.m. on February 20th, at the Lauderdale County Board of Supervisors Boardroom in Meridian

CONFIRMATION OF THE NEXT REGULAR PERMIT BOARD MEETING

Chair Doug Mann confirmed the next regular meeting of the Permit Board was scheduled for Tuesday, February 11, 2025.

MEETING ADJOURNED

There being no further business to come before the Permit Board, Chair Doug Mann adjourned the meeting.

DATED at Jackson, Mississippi, this the 14th day of January 2025.
