

JOB VACANCY

WE'RE HIRING

Title: Environmental Engineer in Training (PIN 4221)
Location: OPC's Waste Division
Job Type: Full-Time
Salary Range: \$51,210.24 - \$74,237.76 Annually
Job Closing: 3/13/2025

Qualifications:

A Bachelor's Degree in an engineering curriculum from a school or college approved by the Mississippi State Board of Registration for Professional Engineers and Land Surveyors as of satisfactory standing, preferably with courses in environmental engineering; OR A Master's Degree in an engineering curriculum from a school or college wherein that same engineering curriculum at the undergraduate level is approved by the Mississippi State Board of Registration for Professional Engineers and Land Surveyors as of satisfactory standing, preferably with courses in environmental engineering; AND A Bachelor's Degree in engineering, engineering technology, or related science curriculum of four (4) scholastic years from a school or college other than those approved by the Mississippi State Board of Registration for Professional Engineers and Land Surveyors, preferably with courses in environmental engineering.

About the Position:

Serve as regional planning engineer for coordinating the development, review, approval, and implementation of local government comprehensive solid waste management plans for assigned counties; complete tasks associated with the waste tire management program for assigned counties including permitting and compliance/enforcement activities for waste tire facilities, coordination with regional office staff to resolve waste tire complaints, and periodic evaluation of local government waste tire management programs; conduct, review and approval of requests for beneficial use determinations; assist in evaluation/oversight of corrective action trust fund projects at historic landfills; conduct regulatory, policy, and program development efforts for various special wastes including medical waste, construction and demolition debris wastes, electronic wastes, industrial wastes, and other special wastes of concern; provide basic information services and staff assistance to the public and regulated community regarding solid waste programs for the State of Mississippi; perform the other assignments instructed including public outreach, training efforts and other general functions of the branch.

How to Apply:

A resume or application can be sent no later than 3/13/2025 to Anna Godfrey at P.O. Box 2261 39225, or by email to AGodfrey@mdeq.ms.gov.
